~ May ~ 2010

We are Learning . . .

This month we will learn the numbers 1 through 10, the color blue, and our last letter, Zz. We will talk about Zebras and what kinds of animals live in the zoo.

We will review all of our letters, colors, shapes and numbers and reminisce about all the fun we had this year at school. We will also talk about fun things to do in the summertime.
