

Mrs. Cantu's PK1 Newsletter

I can't believe this is the last newsletter for the year. I have truly enjoyed the time I spent with your children. We've had a fun school year and there is something special about each child that I will miss. Thank you for all the things you have done throughout the year to support our class and our school.

Classroom Activities

Units of Study: Z, blue, diamond, and 10

We will complete a 'Z' tracer page and sensory page with 'zig-zags'. We will dedicate May to having fun while reinforcing the things we learned throughout the year.

Creative Dramatic Activities: "It's a Zoo in Here": After the children make animal masks, they will then pretend to be an animal in the zoo. We will have a zoo keeper walk around the 'zoo' and feed the animals.

"Flower Picking Game": This game is similar to 'Duck, Duck, Goose'. The children will have flowers with letters on it and they will try to choose a classmate with the matching letter.

Arts and Crafts: Zebras

Animal Masks

Fourth of July Craft

We had a lot of fun on Field Day. Thanks to all the parents and grandparents who helped make the day special!

Parent/teacher conferences are Monday, May 3rd. The sign-up sheet is posted outside the classroom.

School Events

The last days of classes/chapel are:

- Music – May 10th
- Spanish – May 10th
- Chapel – May 12th
- P.E. – May 12th

The last day of school is Wednesday, May 19th.

Splash Day will be held at the school on May 17th.

Our end of the year picnic will be at Bear Creek Park on May 21st at 10 a.m. All family members are invited to attend.

Details about Splash Day and the picnic will be sent home and/or posted outside the classroom.

Feel free to contact me if you have any questions or concerns.
