Color Of The Month: Blue
Shape Of The Month: Review All

Volume 1, Issue 9

It is hard for me to believe that this is my final newsletter for the school year. The year just flew by! Thank you all for letting me be a part of your child's life these past 9 months. I love each and every one of them and because of them, I looked forward to coming to work everyday. It was truly rewarding to watch each child grow and learn each and every day. I am proud of them all!

April was filled with fun. The children enjoyed a visit from the Tooth Fairy and the dentist. The Fort Worth Firefighters came to visit. They spoke to the children about fire safety and then showed them the fire engine!

Our Wednesday and Thursday classes saw a performance of "The Tortoise and the Hare". It was a great performance and the children really enjoyed the show!

Field Days were fun! We ran races, hit the baseball, raced scooters, played with the parachute and more! Each child who participated received a medal and a yummy ice-pop.

We completed our number and shape counting books. We have been working on these books all year. They will be sent home as soon as I bind them. I hope you have fun using them to count with your child.

Our letters in April were V, W, X and Y. We

felt velvet with letter V. We played with worms for letter W. We looked at an x-ray for letter X. The Friday class went on a treasure hunt for "X marks the spot!" We used the color yellow for letter Y.

In August, I said that one of my goals this year was hopefully have the children potty trained. I am very happy with the number of children who started school in diapers or pull-ups and are now wearing big girl panties or big boy underpants! Not everyone is fully trained, but everyone is now at least willing to sit on the potty and has been able to ring the "Tinkle Bell"! I don't know who gets more excited when the children go on the potty...ME or THEM?! Congratulations to all of these friends who are not wearing diapers or pull-ups to school anymore: Blake, Jacob J., Karlee, Emily, Cooper, Madeline, Peighton, Brianne, Andrew, Creighton and Jacob H. Congratulations to everyone else who continue to use the potty everyday...it won't be long and you too can say goodbye to diapers!

Finally, I hope I was successful in teaching your child about God's Love. We learned that the Lord created us and he will always take care of us and he will always love us! Here is one of our daily devotions taken from the book I used: [Little Visits For Toddlers](#) by Mary Manz Simon and Nancy Munger.

"See how much the Father has loved us!"

1 John 3:1
EMOTIONS

INSTRUCTIONS: Act out this verse with your child.

Sometimes I fuss
And stomp around,
But Jesus still loves me.

Sometimes I'm happy,
Smiling wide,
And Jesus still loves me.

Sometimes I'm angry,
Upset, and mad,
But Jesus still loves me.

What makes me feel so
Glad all over?
Jesus really
loves me!

Dear Jesus,
Thank You for loving me.
Amen

A Preview of May

May is going to be a quick yet busy month! We will finish up our alphabet with the big Z! We will review the entire alphabet, the numbers 1 through 10, shapes, and colors. We will be working on some special projects for Mother's Day and Father's Day, sshh...it's a secret! We will also be putting the final pages in our Memory Books.

We will be celebrating birthdays for our friends who have summer birthdays. I have sent out an email to those parents whose child has a summer birthday giving you the scheduled day for your child's celebration. You are not required to send in a class treat to celebrate, but if you are planning to, please let me know if the date scheduled works for you.

Our Splash Days will be held on Monday and Tuesday May 17th and 18th. Please send your child to school with

their swimsuit on under their clothes. Remember to apply sunscreen before school. The children must keep their shoes on outside in the water, so be sure they wear water shoes. Please send in a towel labeled with your child's first or last name. Also send in dry clothes, a change of SHOES and a plastic bag to put wet items in. I will let you know what time our class will be splashing around as soon as I know. Any help supervising the children during the water play and help changing clothes will be greatly appreciated!

The last 2 days of school will be Chick-fil-a lunch days. You will have the option to purchase a Chick-fil-a kids meal for your child. Cost and ordering information will be sent out when available.

Please join us for our school picnic at Bear Creek Park on Friday May 21st at 10:00. Bring your lunch and

blankets and enjoy some time with other parents from the school as the children have a great time playing and saying goodbye to each other!

Have a safe and fun summer!
